Postings have a date reflecting when they were posted. All postings over four months old will be removed without notice. Absolute Energy does not participate in any trading of Absolute Energy units; however, because Absolute Energy acts as transfer agent and our Board of Managers must approve all unit transfers, you will be required to provide us with some information so that appropriate review of the transfer can be made and record changes can be made. Once you contact us about consummating a transaction, you will be asked to provide the appropriate information.
