

NOW HIRING

Absolute Energy L.L.C. has an open position for a
Electrician/Instrument Technician

Absolute Energy L.L.C., a leading ethanol production facility, is looking for an Electrician/Instrument Technician. This candidate will participate in the overall responsibility of repairing and maintaining instrumentation and electrical equipment. This position requires an in-depth understanding of complex equipment and tools with a good working knowledge of electrical and computerized systems. We provide an extensive safety training program and on the job training. In the plant environment, the team member may be exposed to noise, heat and other elements both inside and outside.

Candidate must also have the ability to climb stairs and ladders, lift and move up to 60 pounds, sit and stand for long periods of time, walk for up to two miles per day, work in confined spaces and high areas, bend and kneel, and work in seasonal temperatures. High school diploma or equivalent and electrician license are required.

Absolute Energy offers full benefits including health, vision, dental, 401k, ROTH 401k, 401k employer match, PTO, holiday pay, and a bonus program. Starting wage determined by qualifications & experience. Uniforms and safety boot allowance provided.
