

NOW HIRING

Absolute Energy L.L.C. has an open position for a LAB ASSISTANT

Absolute Energy L.L.C., a leading ethanol production facility, is looking for a Lab Assistant. This candidate will be part of the Quality Control Lab team performing routine tests and analysis to ensure product quality, maximum yield, and compliance with federal and industry standards. Reliability and attention to detail is a must. We provide extensive on-the-job training. Candidate works a 9-hour day, 45 hour week. Some weekend call in participation will be required. Must have the ability to work safely, maintain cleanliness, be team-oriented, and work in an industrial environment. Physical requirements include standing, walking, agility and skill to operate lab equipment, and ability to lift and move up to 50 pounds. High school diploma is required. Degree in a scientific/microbiology field or related education is preferred. Experience in a lab environment is preferred.

Starting wage based on education and experience. Competitive benefits including health, dental, vision, life insurance, paid holidays & PTO, 401(k) employer matching contribution, and profit sharing. Uniforms and safety boot allowance provided.
